ABOUT MATRIX

YOUR PARTNER IN FITNESS

With all you do to serve your people, you deserve a partner that's just as committed. Matrix delivers the same performance, durability and functionality as the world's finest health clubs, no matter your space, budget or needs. Plus, our technology makes the exercise experience just as entertaining as it is invigorating.

Together, we can make your fitness center a highlight of your offering.

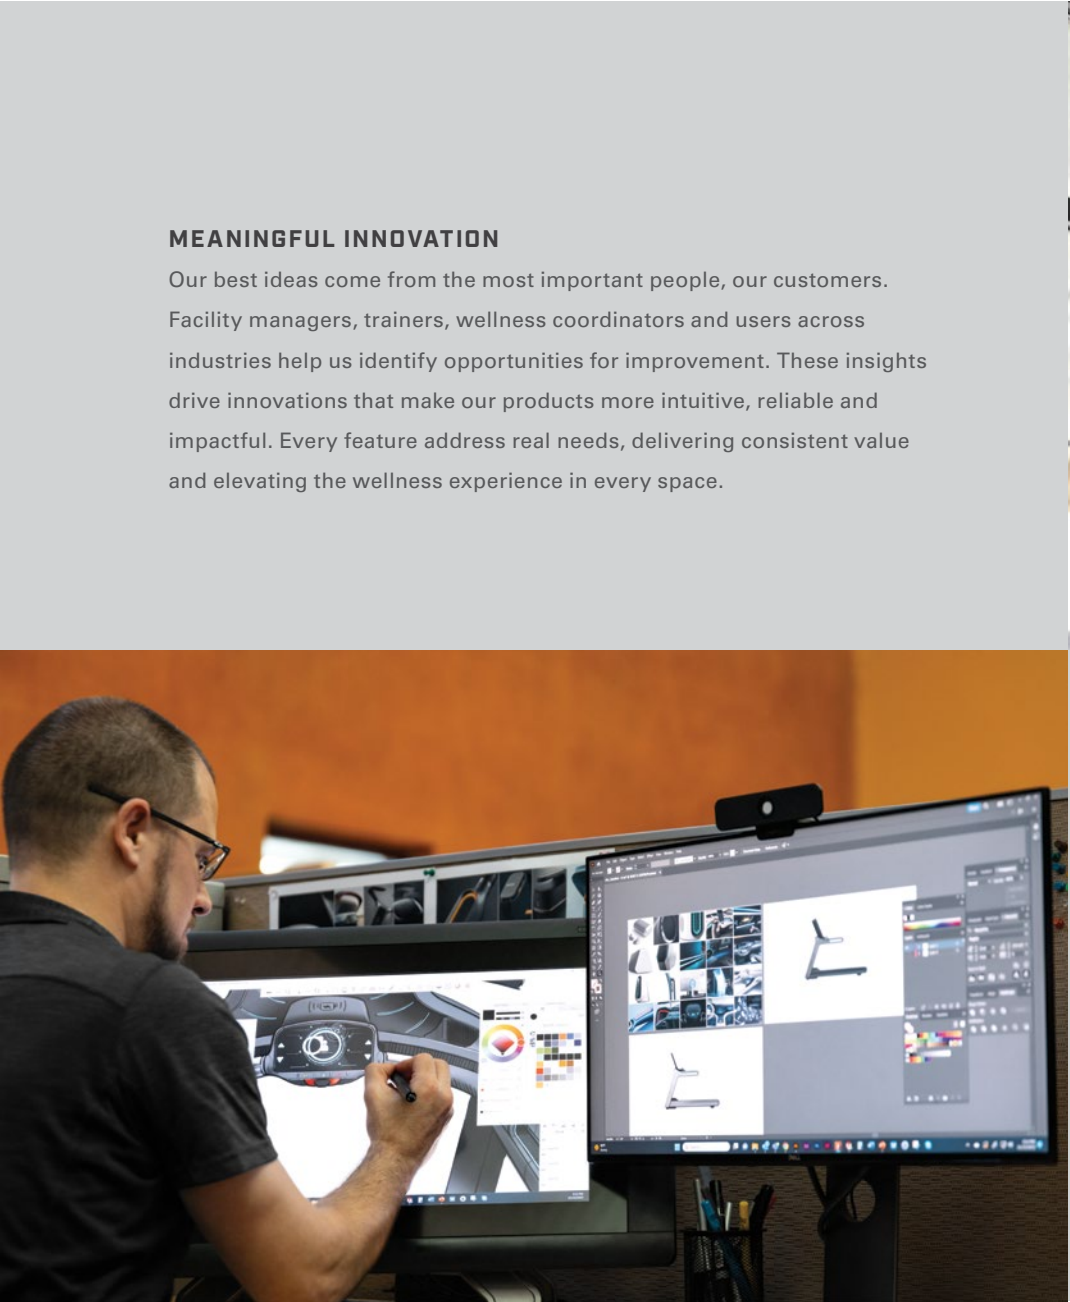

ABOUT MATRIX

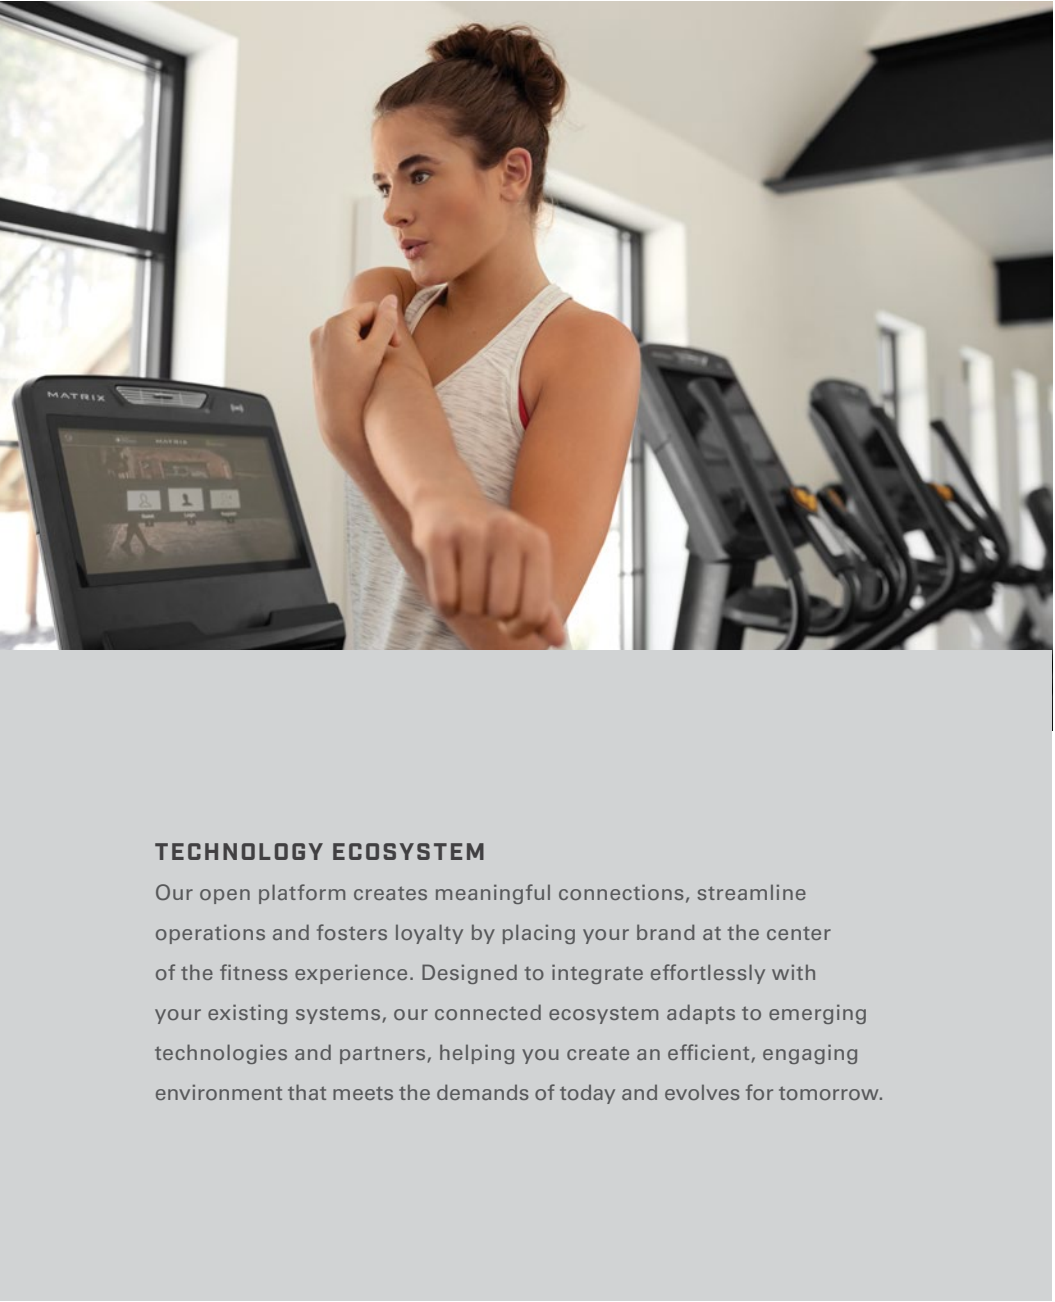

LEADING FITNESS INNOVATION

We focus on what matters most to you. By listening, learning and applying our innovative solutions, we create fitness spaces that meet the demands of your unique environment and enhance the experience for everyone who uses them.

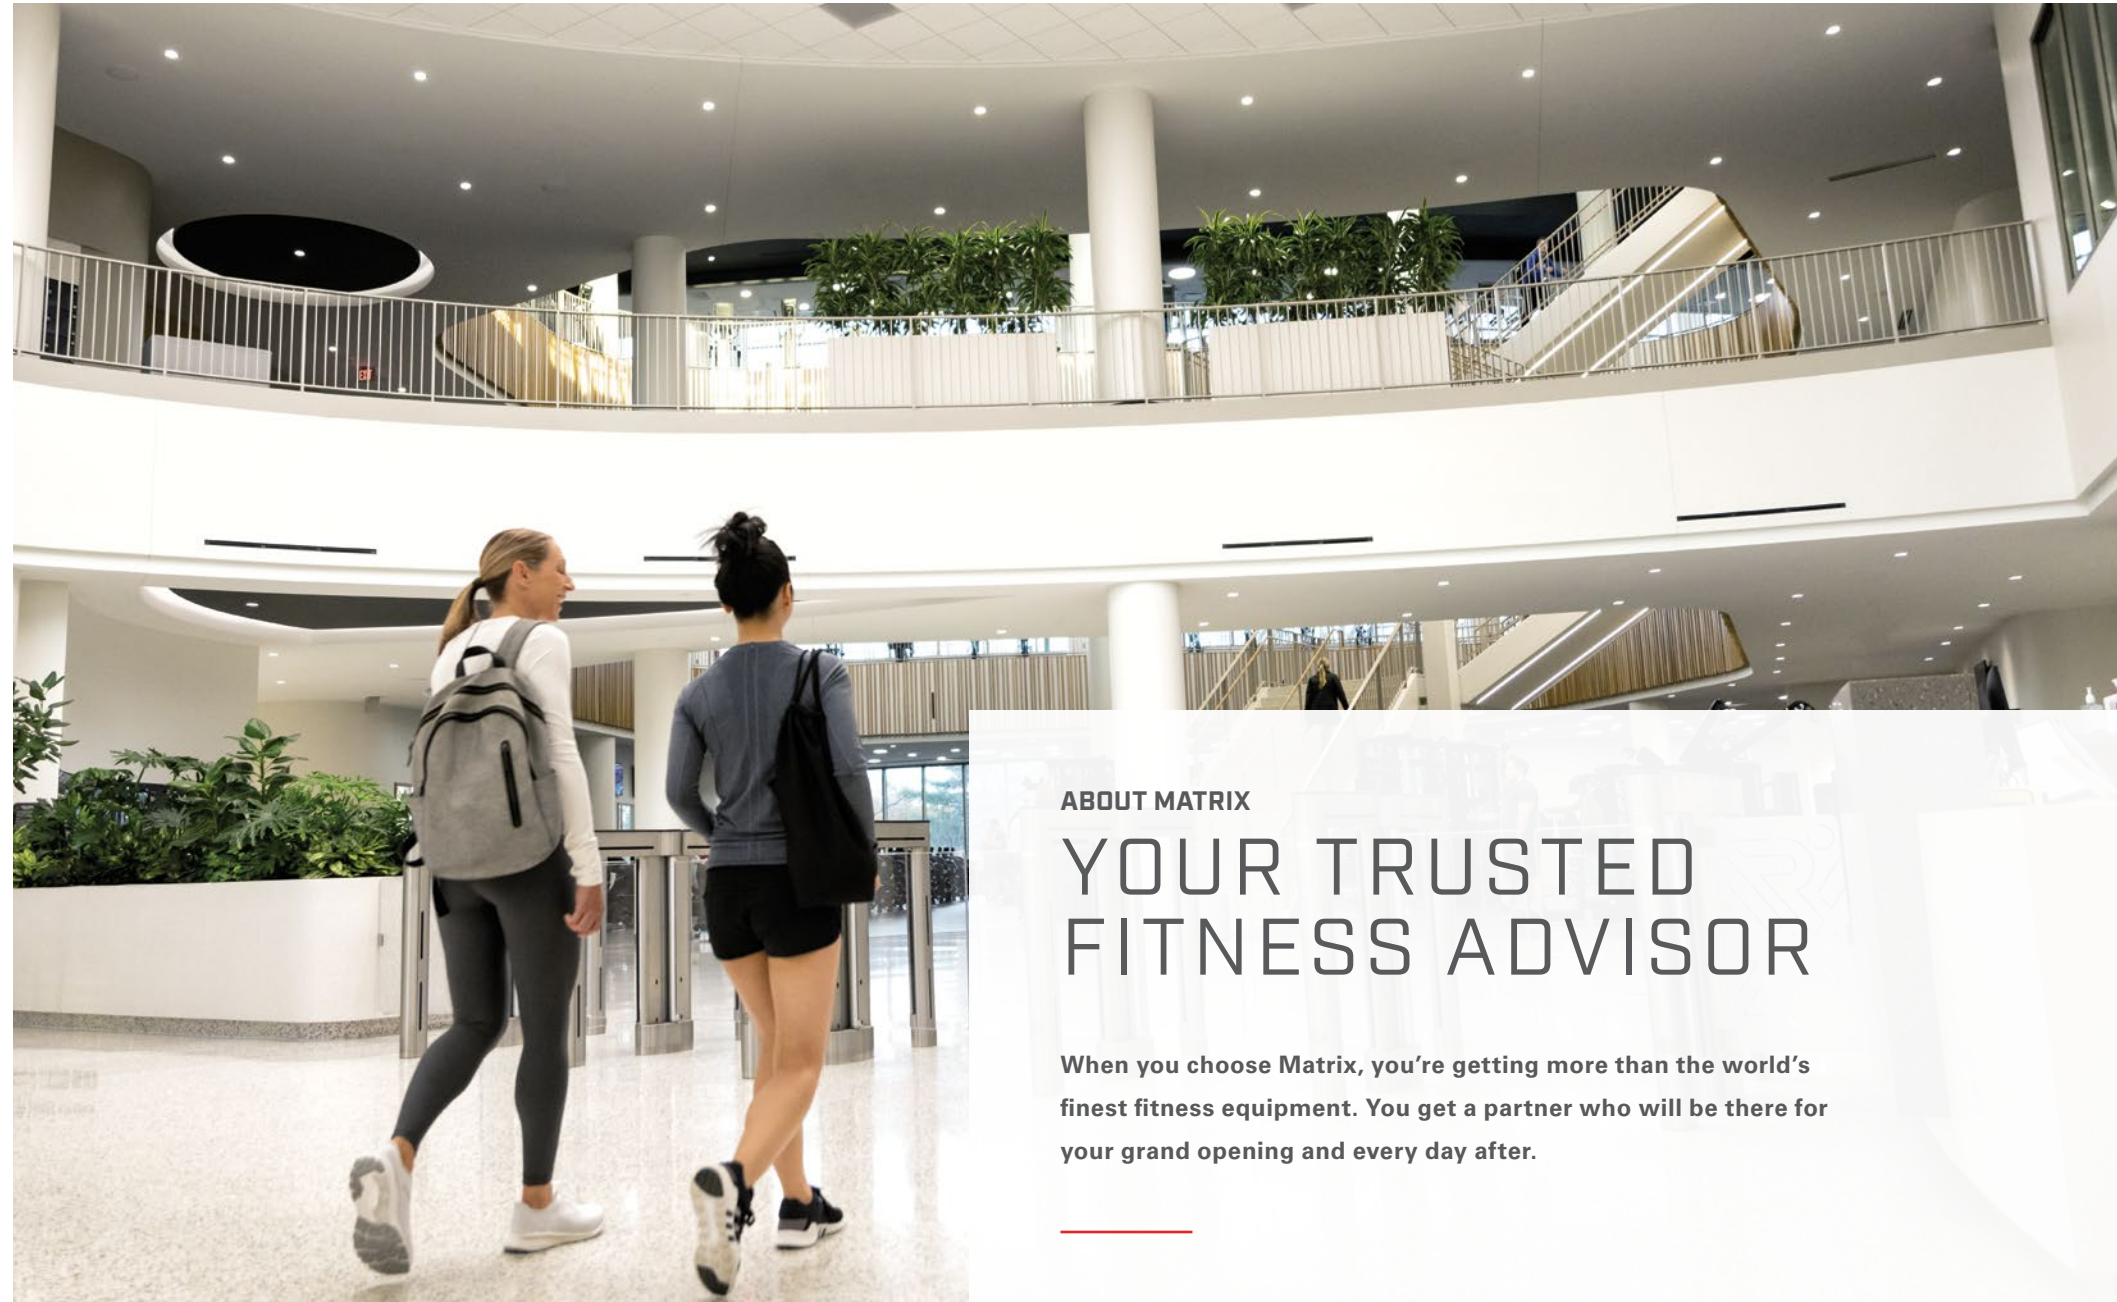

MEANINGFUL INNOVATION

Our best ideas come from the most important people, our customers. Facility managers, trainers, wellness coordinators and users across industries help us identify opportunities for improvement. These insights drive innovations that make our products more intuitive, reliable and impactful. Every feature address real needs, delivering consistent value and elevating the wellness experience in every space.

TECHNOLOGY ECOSYSTEM

Our open platform creates meaningful connections, streamline operations and fosters loyalty by placing your brand at the center of the fitness experience. Designed to integrate effortlessly with your existing systems, our connected ecosystem adapts to emerging technologies and partners, helping you create an efficient, engaging environment that meets the demands of today and evolves for tomorrow.

ABOUT MATRIX

YOUR TRUSTED FITNESS ADVISOR

When you choose Matrix, you're getting more than the world's finest fitness equipment. You get a partner who will be there for your grand opening and every day after.

DESIGNING YOUR SUCCESS

Building a fitness area is about creating a lasting asset for your facility. Our team works with you to select the perfect combination of equipment and technology that fits your unique requirements. With flexible financial options, we make it easy to turn your ideas into reality while staying within your budget.

DELIVERING YOUR GOALS

We ensure a smooth start by handling setup and offering comprehensive guidance on maximizing the impact of your new fitness space. Your team will have all the knowledge they need to deliver an engaging experience from day one.

SUPPORTING YOUR GROWTH

Count on Matrix for responsive service and swift issue resolution. Our commitment extends beyond installation, with readily available parts and marketing support kits designed to connect with your audience and spotlight your distinct fitness offering.

KNOWLEDGE AT YOUR FINGERTIPS

Gain access to expert tools and resources that deliver valuable insights to your organization and help you make the most of your Matrix equipment and programming.

MATRIX LEARNING CENTER

Whether fitness is your focus or just a part of your offering, Matrix Learning Center gives you unlimited access to an unmatched library of resources that will maximize your investment in everything Matrix.

matrixlearningcenter.com

MATRIX RESEARCH HUB

Explore evidence-based insights, condensed into easy-to-digest articles on subjects important to you and your business. From mental and cardio health to healthy aging and beyond, our hub offers articles, webinars and toolkits grounded in scientific research.

MATRIX CONNECTED SOLUTIONS

OUR SOLUTIONS

Our robust, open platform is more than a collection of hardware, software and connectivity options. It's a fully integrated digital ecosystem that enhances the way you manage your machines, mentor and motivate your members, and promote your unique brand.

OUR DIGITAL ECOSYSTEM

We provide best-in-class integrations by working with third-party organizations from member management systems to scheduling systems to exercise equipment software, to make your existing solutions work together seamlessly.

Our integration capabilities constantly continue to expand as there are new technologies and entrants in the industry. Now more than ever, you have a myriad of choices of providers, partners and solutions.

That's just the beginning of how we can connect your content and your people, transforming the way you engage with members and your bottom line all at once. Choose Matrix and create an experience that best meets the needs of your facility and your members.

The following is a sampling of some of our integrations and partnerships. To view all of the third-party organizations we've integrated with to date, visit: us.matrixfitness.com/connected-solutions

MATRIX CONNECTED SOLUTIONS

ENGAGE 360

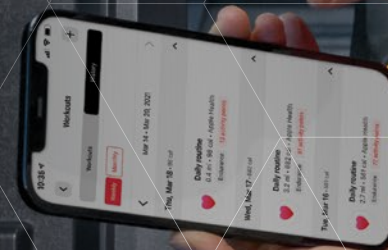

Now you can reach more members wherever they are and forge lasting connections with our Engage 360 platform. Engage 360 lets your staff access and create training libraries, assign workouts to individuals or groups, cheer on users, track progress, manage calendars, monitor engagement and more. Contact us today to find out how Engage 360 can connect staff and users like never before.

CUSTOMIZE & CONNECT

Engage 360 is easily adaptable to the practices that have made your facility successful and works with third-party apps and wearables.

REDEFINE YOUR BOTTOM LINE

Offer training as an add-on to premium memberships, as an introductory special, on a session-by-session basis or through your own promotional combination.

COMMUNITY 360

Bring everyone together in a whole new way and keep them coming back for more with our Community 360 app. Community 360 makes it easy to create a virtual fitness community that's always active with fresh ways for participants to stay fit, share their triumphs and cheer each other on, all while consolidating user workout data under your brand.

MOTIVATING YOUR AUDIENCE IN NEW WAYS

Our mobile app connects to individuals wherever they exercise with fresh daily workouts, community challenges, motivating push notifications and referral incentives.

INTUITIVE USE & IMPORTANT INFORMATION

Our open platform streamlines the way you manage your facility and brings all of your users fitness data to your branded tracking platform no matter where or when they exercise.

PROMOTIONS & INCENTIVES

Innovative features like “find a class,” “request training,” and referral incentives help you promote your brand and highlight your offerings in fresh ways. Our promotional tools, including special offer notifications and “at-risk” alerts, keep your users engaged and your brand top of mind.

MATRIX CONNECTED SOLUTIONS

FACILITY 360

Whether you manage one fitness facility or many, Facility 360 Powered by Ecofit gives you the insightful analytics you need to make data-driven decisions and manage your equipment. Real-time updates, sophisticated reporting and comprehensive tracking make it easier than ever to streamline service, reduce downtime, maximize equipment life and keep your people happy.

FACILITY360
POWERED BY ecofit

MONITOR ALL OF YOUR EQUIPMENT

Matrix-exclusive integration with connected cardio and strength equipment provides the industry's most advanced reporting and analytics. Specialized sensors offer status, usage and service data for all equipment, including unconnected strength and cardio equipment.

MAXIMIZE EQUIPMENT LIFE & ROI

Auto-generated rotation plans help you extend equipment life and optimize the mix of equipment on your floor.

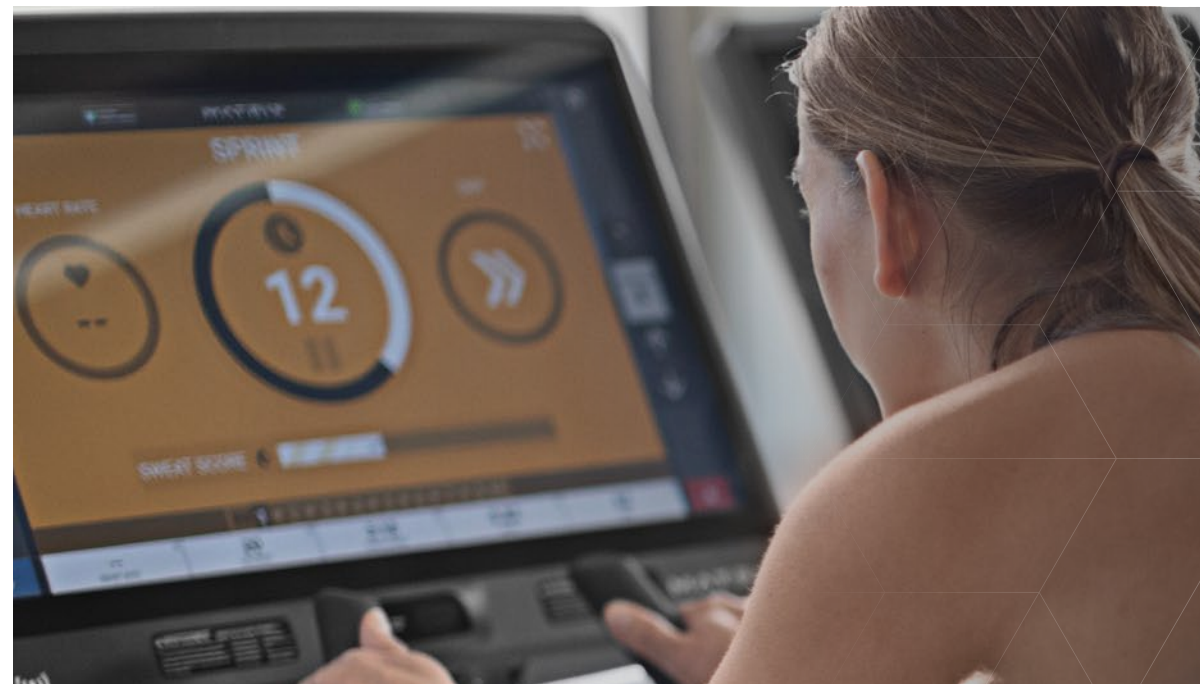

MAKE DATA DRIVEN DECISIONS

Easy-to-read reporting for wait times, peak hours, cardio vs. strength usage and more informs data-driven decisions about equipment assortment, equipment rotation, staffing and beyond.

STREAMLINE SERVICE & MAINTENANCE

Real-time equipment status lets you address issues before they impact the user experience, and advanced notifications automatically email detailed error reports directly to your inbox, letting you instantly diagnose issues and streamline service to maximize uptime.

MATRIX CONNECTED SOLUTIONS

ENHANCING THE EXERCISE EXPERIENCE

Make every workout a fresh experience by adding some of our uniquely interactive programs. Count on us to create distinctive exercise experiences that will set your fitness center apart from others, engage your members on a whole new level and keep them coming back for more.

SPRINT 8®

Go beyond high-intensity interval training to give members results they can see in the mirror. Our scientifically validated Sprint 8 program is effective, quick and simple.

VIRTUAL ACTIVE™

Transform ordinary workouts into breathtaking journeys through exotic locales with our speed- and terrain-interactive Virtual Active program.

LANDMARKS

Our Landmarks program turns Stepper and ClimbMill™ workouts into engaging, exhilarating journeys to the top of natural and man-made wonders of the world.

iFIT

When it comes to an inspiring, immersive exercise experience, nothing compares to our Matrix cardio equipment featuring iFIT, a global leader in interactive connected fitness technology and content.

FACILITY-SPECIFIC SOLUTIONS

Depending on what kind of fitness center you operate, some of our facility-specific solutions might be right for your goals and members. Check out RFID to streamline the exercise experience, digital TV if you'd like to add a little extra entertainment, remote audio to coordinate with your mounted big screens or IPTV and Pro:Idiom for a synced entertainment experience.

DIGITAL TV

Keep users motivated and help them achieve their fitness goals with the industry's very best screen technology.

REMOTE AUDIO

Enhance the exercise experience by syncing remote audio to your facility's big screens.

IPTV

IPTV allows for a high-definition viewing experience on your cardio floor.

RFID

Simple radio-frequency tags can give your members a seamless exercise experience from door to door, streamlining check-ins, workouts and purchasing from your vending centers.

PRO:IDIOM

A must-have for hotels, Pro:Idiom protects content providers from piracy while offering guests a synced entertainment experience.

ANT+

Send data to the big screen to spark competition in the studio.

BLE FTMS

Send data to smart phone apps for personal performance tracking in the studio.

CONSOLE FLEXIBILITY

Our diverse collection of consoles is compatible with all Performance, Endurance and Lifestyle Series equipment to give you choices in what you put on your cardio floor. Sophisticated, easy-to-operate designs give your users control of the data they collect, the content that keeps them engaged and the way they reach their goals. You can also access our most powerful Connected Solutions with WiFi-enabled consoles, including Engage 360, Community 360 and Facility 360.

TOUCH CONSOLES

Our Touch Consoles exceed expectations with brilliant displays and smooth app interfaces. Users can connect to entertainment, social media, facility communications and more, all updated for free. Touch Consoles connect to Apple Watch and include Sprint 8®, RFID login, headphone jack, reading rack and WiFi to work with the Matrix Connected Solutions portfolio. * Touch XL is only available on treadmills and ClimbMills™.

PREMIUM LED CONSOLE

Our Premium LED Console combines an icon-based interface with a colorful, pixel-rich display for engaging workouts. It connects to Apple Watch and includes Sprint 8, optional RFID login, headphone jack, reading rack and WiFi to work with the Matrix Connected Solutions portfolio.

LED CONSOLE

Our LED Console keeps exercise simple with an uncomplicated interface and a large display and message center for complete workout feedback. It includes a reading rack for personal devices, headphone jack and optional WiFi to work with the Matrix Connected Solutions portfolio.

CARDIO OVERVIEW

ENDLESS POSSIBILITIES FOR EVERY SPACE

Whether fitness is your business or just a part of what you do, your choices make all the difference. That’s why we’ve reimagined our offering, making it easier to choose the solutions right for your budget, your space and the people you serve. Our three cardio series are compatible with four refined consoles for exciting new combinations of performance and technology. When it comes to achieving your goals, it’s easy to choose Matrix and know you’ve chosen wisely.

PERFORMANCE SERIES /

For fitness facilities that demand the best, our Performance Series provides an unmatched portfolio of premium cardio equipment. A refined aesthetic sets your facility apart in a way that attracts exercise enthusiasts of all kinds and keeps them coming back for more. Our precision-engineered designs and rugged components are tested against the highest international standards, ready for the most intense workouts. Ergonomically refined touchpoints like seats, handlebars, sealed buttons and smart workout controls make even long, hard workouts comfortable, convenient and intuitive. A range of advanced features simplify and reduce service needs to minimize downtime and maximize member satisfaction.

ENDURANCE SERIES /

The Endurance Series offers design and flexibility that makes it easy for your fitness facility to maximize its resources with every decision. Streamlined designs simplify the exercise experience while still providing premium performance that can challenge cardio enthusiasts. When it comes to durability, everything from the Endurance Series is designed and tested to stand up to tough environments and heavy use for years. Best of all, our Endurance Series can meet you where you need to be when it comes to features, functions and your budget.

LIFESTYLE SERIES /

If fitness is a small but important part of your offering, Matrix has cardio equipment that fits your space, your budget and your brand. Choose our Lifestyle Series equipment for value-conscious design, reliable performance and a unified aesthetic that welcomes all the different people you serve. Simplified operation makes it easy for anyone to start a workout, even users who are unfamiliar with exercise equipment.

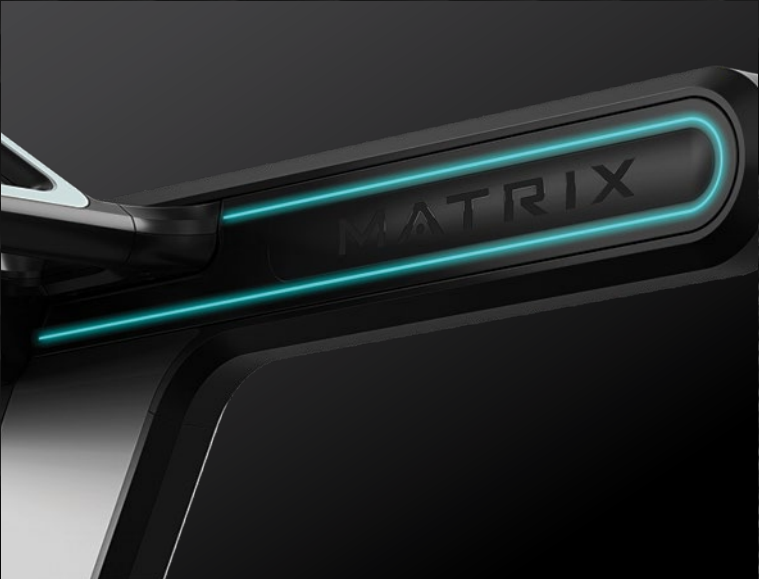

ONYXX

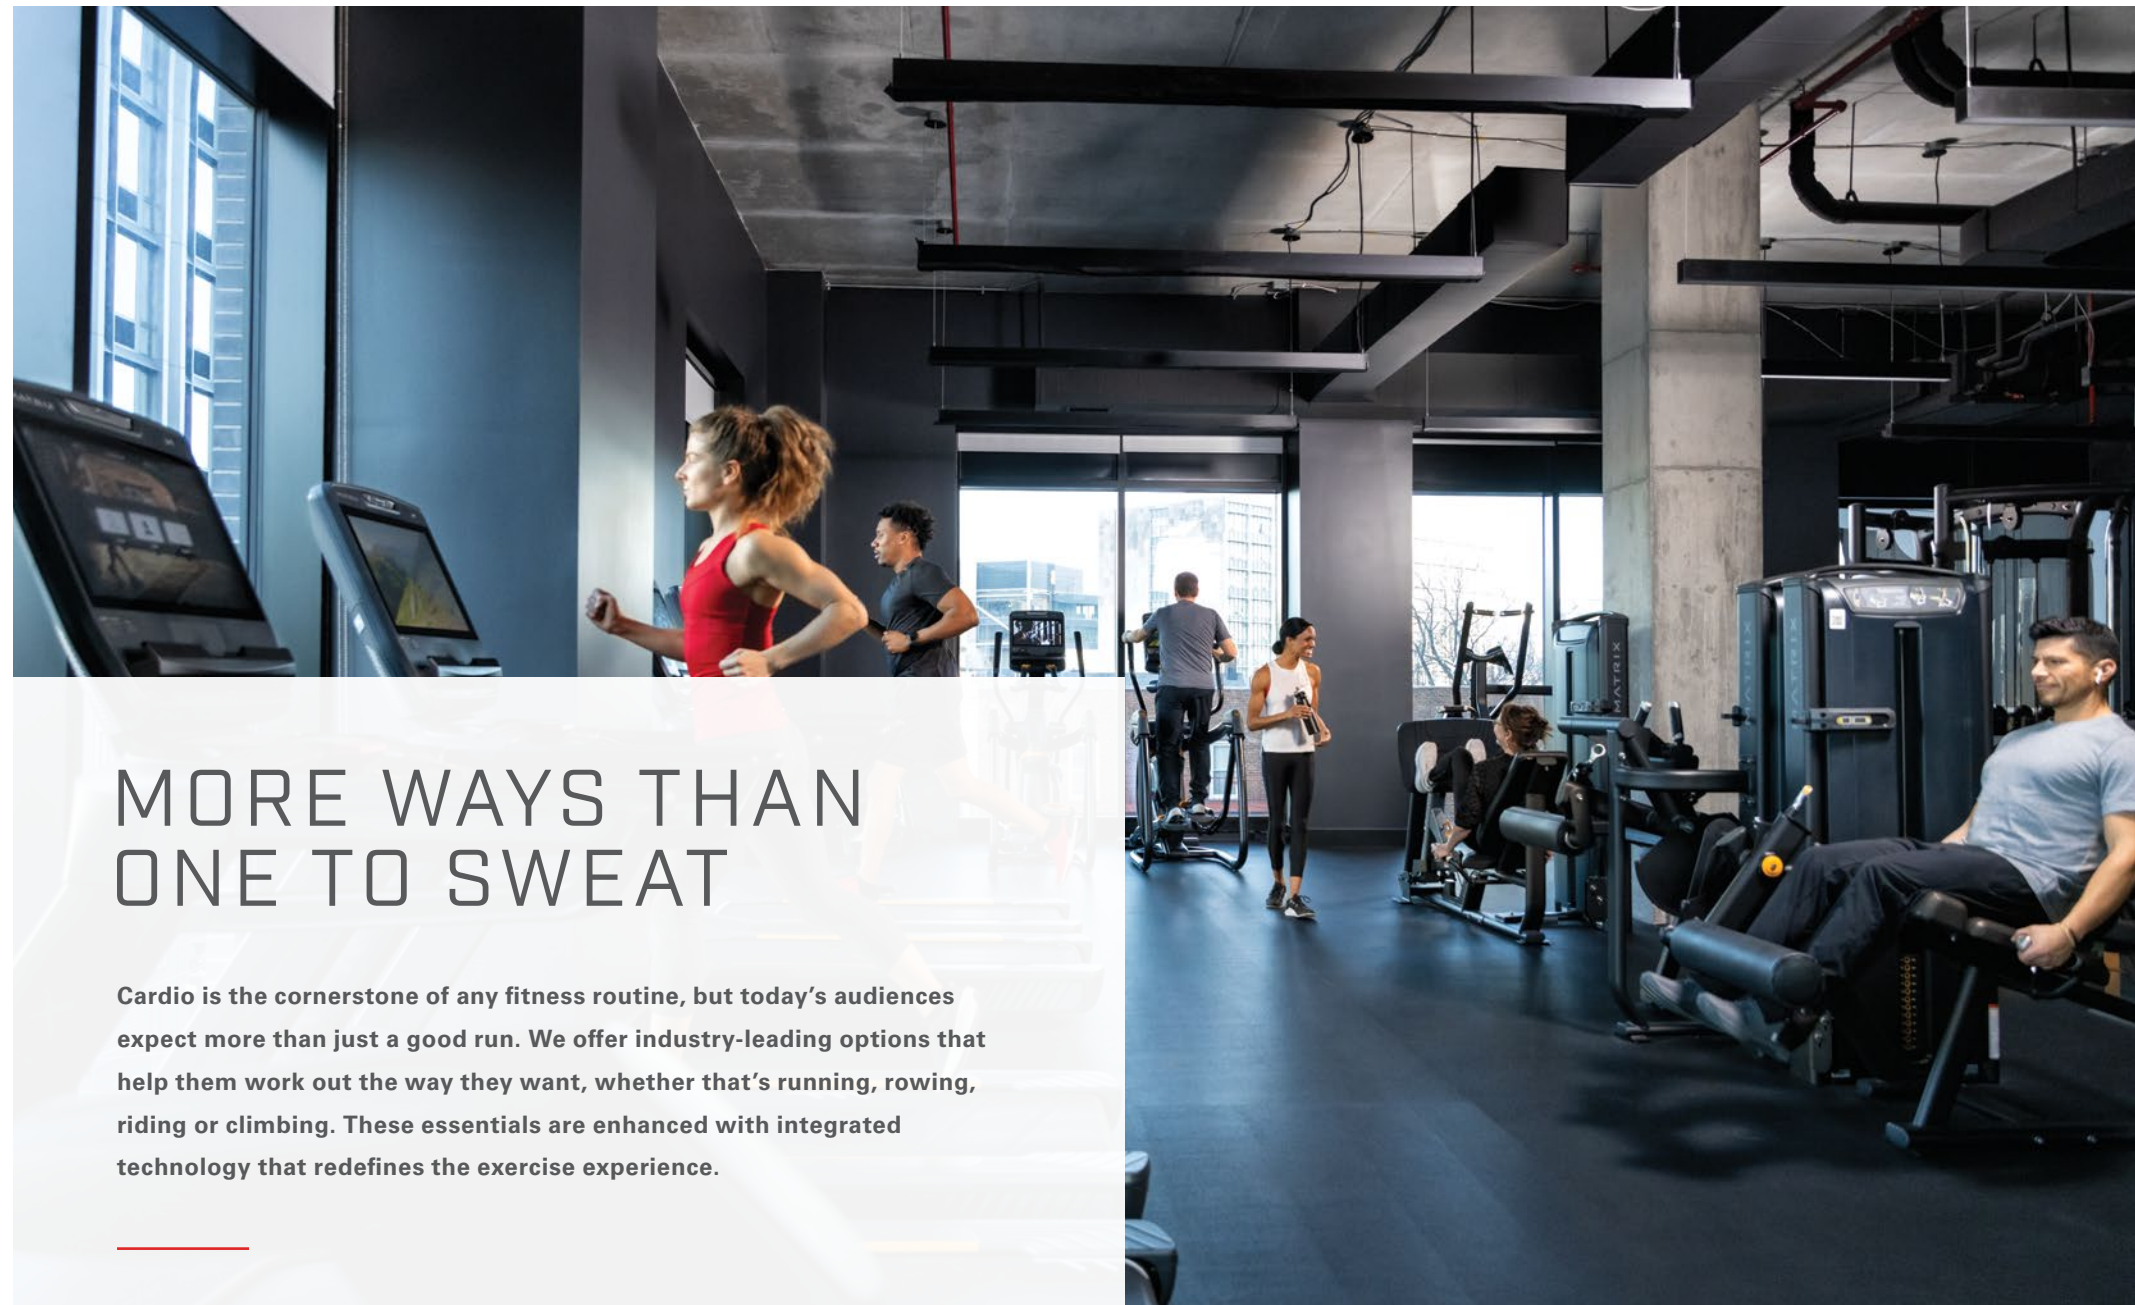

AN EXPERIENCE FOR THE SENSES

Nothing elevates exercise like Onyx. From the eye to the fingertips to the feel beneath your feet, every interaction is exceptional, immersive and unlike anything else. For those who demand the best, Onyx is waiting.

Discover an experience for the senses at onyx.matrixfitness.com.

ONYX COLLECTION

MORE WAYS THAN ONE TO SWEAT

Cardio is the cornerstone of any fitness routine, but today's audiences expect more than just a good run. We offer industry-leading options that help them work out the way they want, whether that's running, rowing, riding or climbing. These essentials are enhanced with integrated technology that redefines the exercise experience.

TREADMILLS

Striking the perfect balance between engineering and aesthetics, our treadmills attract more attention and require less maintenance than anything next to them. Exclusive features offer the smoothest, most consistent performance on the market, while our Performance Plus Treadmill delivers an unforgettable running experience and an exceptional ownership experience.

ASCENTS & ELLIPTICALS

Our Ascents and ellipticals deliver smooth, stable, natural movement that makes every workout comfortable and efficient. Our Ascent Trainer® offers a compact footprint that helps you make efficient use of your cardio floor and our ellipticals are unmatched when it comes to delivering a synchronized exercise experience.

CYCLES

Our cycles combine performance, comfort and ease of use, making them a popular choice for any fitness environment. Whether upright or recumbent, each cycle is designed to provide a premium experience for all while minimizing maintenance. With self-powered options, these bikes can be placed anywhere to meet the unique needs of your space.

CLIMBMILLS™

Offer users the most authentic stair-climbing workout with our high-design, low-maintenance ClimbMills. Control Zone and Step Positioning Software help users work out smoothly and securely, Sweat Management protects components to extend equipment life and Ergo Form™ Grips put adjustments at your users' fingertips.

STRENGTH EQUIPMENT

BUILT FOR EVERY CHALLENGE

Each of our strength equipment series offers a unique advantage to your fitness space. With high-performance designs and durable construction, our portfolio offers solutions for both seasoned athletes and those new to strength training. Mix and match to ensure your strength training area meets the needs of your people while delivering lasting value.

ULTRA SERIES

Powerful yet comfortable, the Ultra Series offers advanced functionality, intuitive operation and the industry's most durable components, all wrapped in stunning industrial design.

VERSA SERIES

The Versa Series gives you the flexibility to build a strength training area that perfectly fits your space and users' needs, combining precision and functionality in every piece.

AURA SERIES

Appealing to both beginners and seasoned enthusiasts, the Aura Series features superior styling, signature features and an unmistakable sense of quality and strength.

GO SERIES

Designed for newcomers to strength training and circuit programs, the Go Series features easy-to-use, space-efficient equipment that lets anyone start with confidence.

MAGNUM SERIES

The unrivaled performance of Magnum Series helps athletes reach their potential in smart new ways and its unmatched durability stands up to the most demanding training environments, season after season for years.

VARSITY SERIES

Our Varsity Series offers a blend of performance, superior ergonomics and value perfect for heavy-use facilities serving a steady stream of users.

SINGLE-STATION

Operation is intuitive and our high-performance designs ensure that your members are getting the most out of every moment they spend pursuing their fitness goals.

ULTRA / VERSA / AURA / GO

PLATE-LOADED

Thoughtful design and attention to detail make our stations easier to load, unload and access, so members can get the workout they need, where they need it and keep going.

MAGNUM / VARSITY

MULTI-STATION

Multi-station units make the most of your floor space and help members make the most of their workout time. Smart designs let users take on multiple exercises in a small space, with quick weight adjustments to maximize results.

VERSA / AURA / GO

RACKS & PLATFORMS

When serious strength training enthusiasts see our premium racks on your floor, they'll know they're in the right place and keep coming back for more.

MAGNUM

FREE WEIGHTS

Choose from our unique series to find the combination of iron and ergonomics right for your facility and count on exclusive features and industrial design to attract aspiring fitness enthusiasts and seasoned lifters alike.

MAGNUM / VARSITY / GO

MORE THAN ONE WAY TO BUILD STRENGTH

We offer a complete collection of strength equipment to meet the needs of not just your people, but your space, too.

ULTRA SERIES WITH INTELLIGENT TRAINING CONSOLE

When you choose Ultra Series with Intelligent Training Console, you'll get a digitally connected, guided experience. The intuitive touchscreen makes it easy for members of all levels to define physical transformation targets, identify their benchmark weight and receive step-by-step instructions. Then users can take on personalized progression programs that will help them reach their goals in smart new ways.

FUNCTIONAL & GROUP TRAINING SOLUTIONS

TRAINING FOR EVERY MOVEMENT

Functional and group training are on the rise because nothing else provides the motivation, camaraderie and accountability users need to try new things. Choose from our complete training options to differentiate your space and keep people coming back in a way only functional and group training can.

CONNEXUS™ SERIES

Now functional fitness is flexible. From the wall to the corner to the center of your training hub, from self-guided workouts to circuits to small group training. There's no functional solution that's out of reach. Explore the Connexus Series today to find the perfect fit for your space and community.

S-DRIVE™ PERFORMANCE TRAINERS

Bring our S-Drive Performance Trainers to your fitness center to offer members an incredibly versatile high-intensity interval training (HIIT) solution. Introduce S-Drive Metrics to elevate metric tracking or for individualized goal-setting and real-time feedback, choose the S-Drive Power with Target Training display.

TRAINING CYCLES

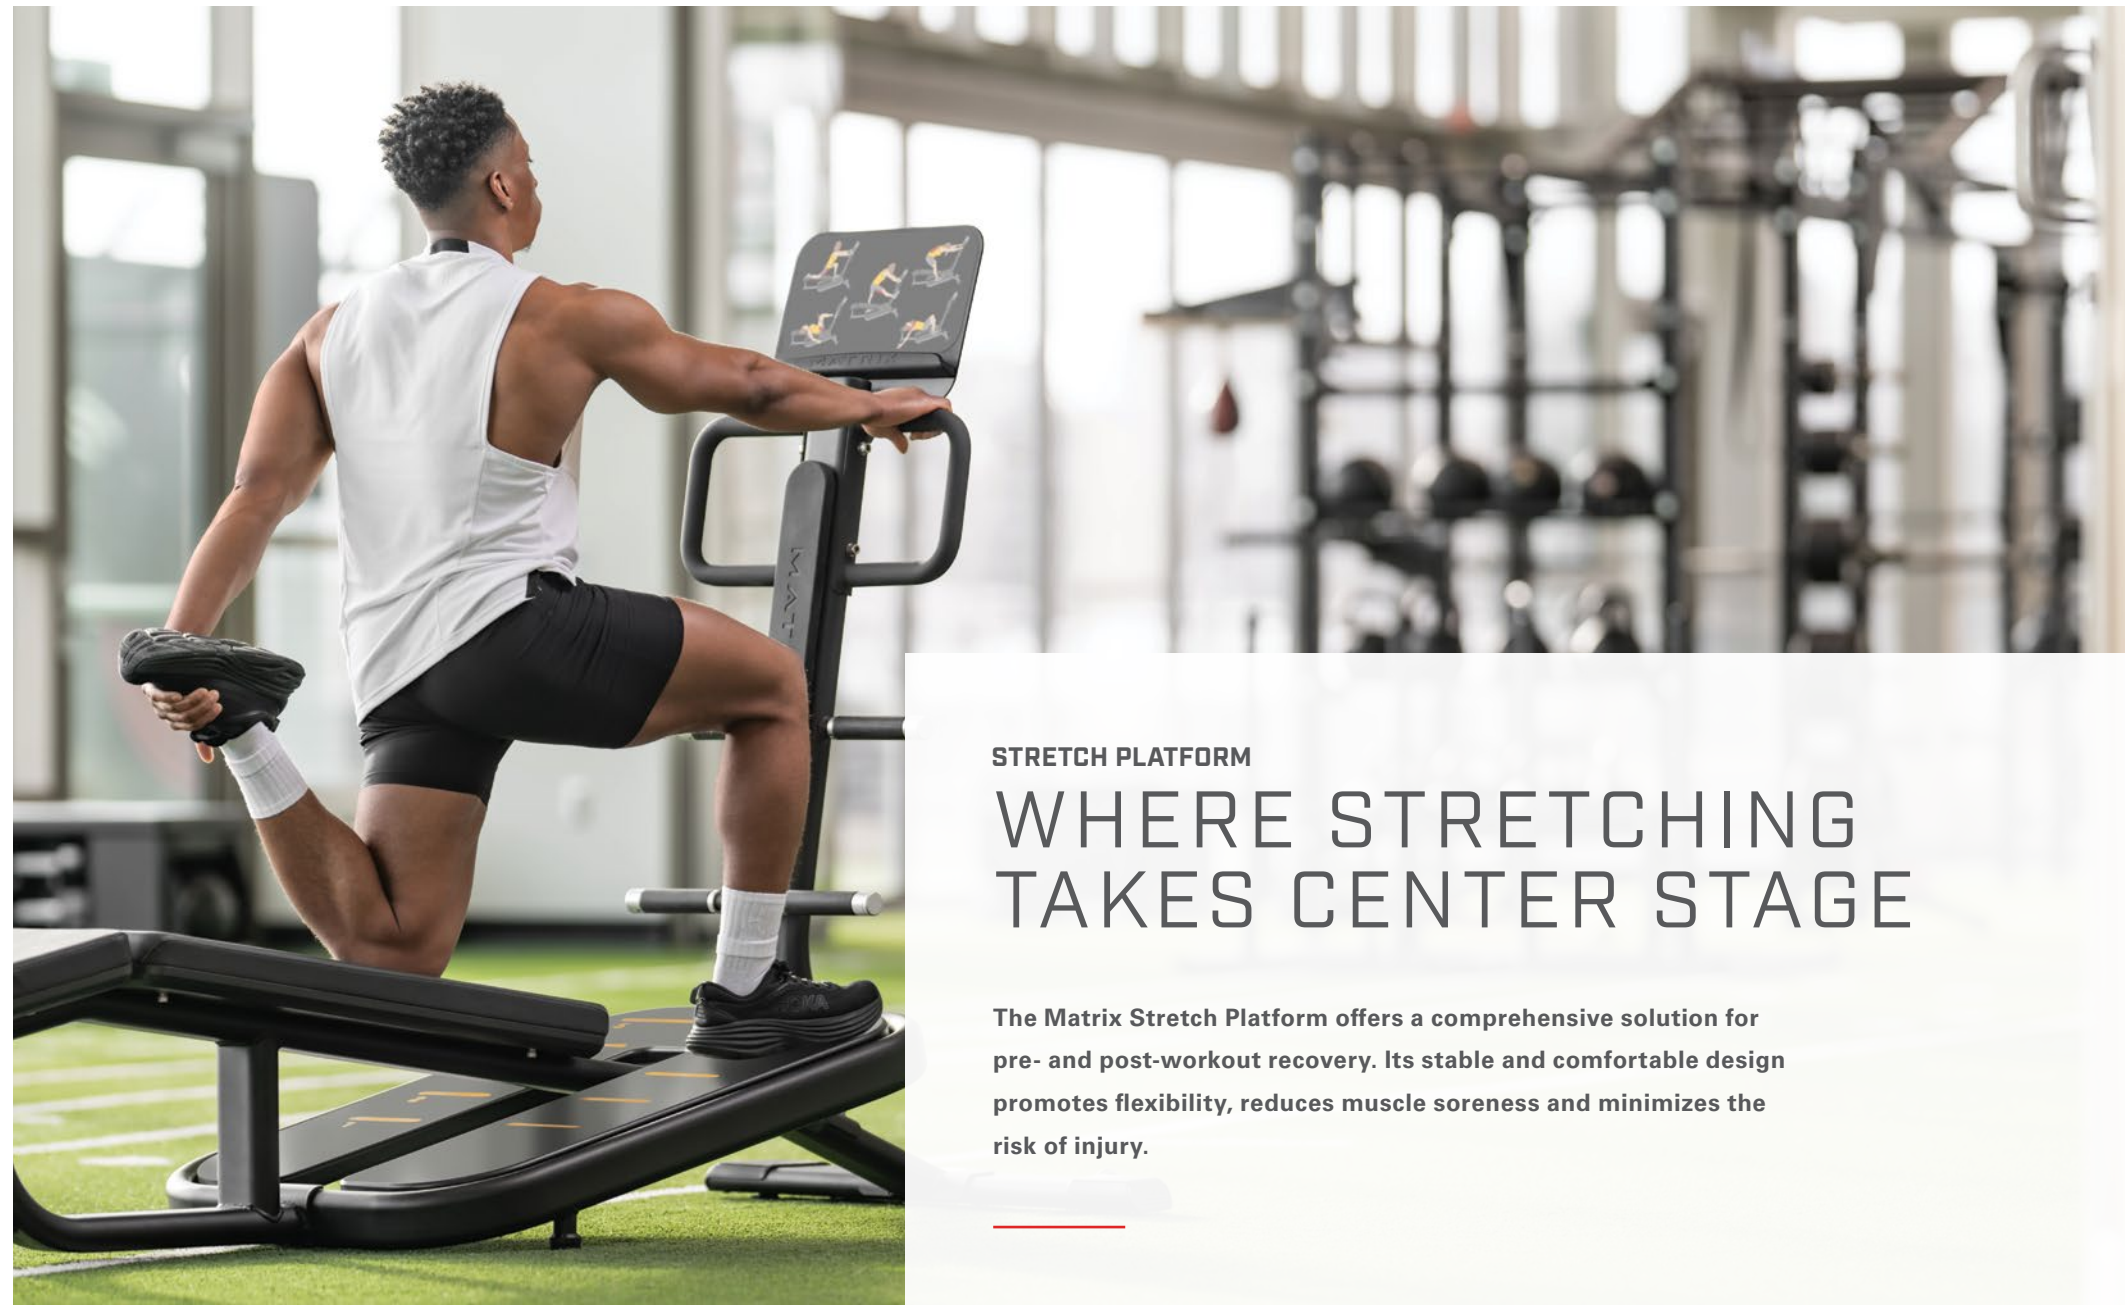

Our Training Cycles bring the feel of a real outdoor ride indoors. Built tough with ergonomically tuned frames and intuitive adjustments, they suit every participant. Choose the CXM for metric tracking, the CXP for goal-based training, the Total Body Cycle for full-body intensity or the Virtual Training Cycle for immersive on-demand classes and scenic routes on a large touchscreen.

ROWERS

Take advantage of the growing popularity of rowing by bringing our sleek, thoughtfully designed rowers to your space. Offer a classic experience with our standard rower or reinvigorate rowing and make your facility stand out with the RXP Target Training Rower.

STRETCH PLATFORM

WHERE STRETCHING TAKES CENTER STAGE

The Matrix Stretch Platform offers a comprehensive solution for pre- and post-workout recovery. Its stable and comfortable design promotes flexibility, reduces muscle soreness and minimizes the risk of injury.

STRETCH PLATFORM

The stretch platform's angled platform, padded bench and support bars allow for deeper, more progressive stretches, while the open, versatile design lets members of all body types confidently explore new stretches, improving flexibility and mobility. Bring the Matrix Stretch Platform to your facility today and let stretching take center stage.

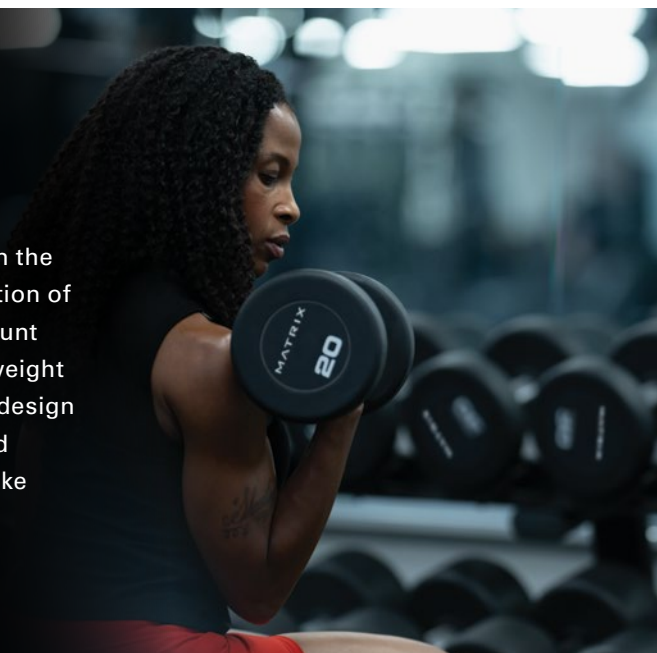

MATRIX ACCESSORIES

BELIEVE IN ACCESSORIES THAT EMPOWER

The right accessories elevate exercise in all the right ways, making workouts more comfortable, more efficient, more effective and more in line with the unique goals of your members. From strength training must-haves to versatile functional training tools and specialized mobility and recovery aids, our accessories are built to last and thoughtfully designed to meet the needs of all fitness levels.

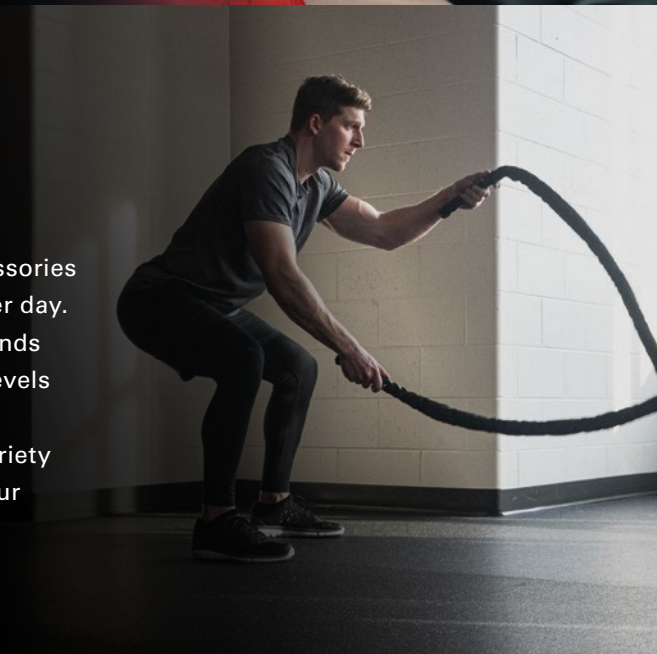

STRENGTH ACCESSORIES

Show lifters of all kinds that are in the right place with a complete selection of bars, benches and dumbbells. Count on lasting durability from these weight room essentials, plus thoughtful design features like precision-engineered dumbbell and bar shapes that make them unmistakably Matrix.

FUNCTIONAL ACCESSORIES

Make the most of your group and functional training areas with a comprehensive selection of accessories that stand up to hard use day after day. Choose a variety of resistance bands to serve a wide range of fitness levels and empower each user to chase their unique goals by adding a variety of components and options to your functional training frames.

MOBILITY & RECOVERY ACCESSORIES

Fitness is more than reps and runs. Encourage healthy movement by adding accessories specifically created to enhance range of motion and mobility and help exercise enthusiasts recover from hard workouts with rollers and balls uniquely designed to soothe hot spots.
